User Stories & Acceptance Criteria

User Story

As a user, I want a search bar so I can look for a specific book and check the reviews.

As a user, I want to write a review to the book I just finished reading so other users can see if they prefer reading this book or not.

As a user, I want to write a comment to a review so I can share my thoughts as well.

As a user, I want to recommend books so other users will read good books as well.

Recommended Books

"Books are the quietest and most constant of
friends; they are the most accessible and wisest of
counselors, and the most patient of teachers."
